Proposed Rule Amendment

The proposed rule amendment can be found on the Utah State Tax Commission website <http://tax.utah.gov/commission/rules>. The rules will be published in the Utah Bulletin on February 1, 2013 and the Public comment will end on March 4, 2013.

Rule Number:	Rule R865-9I-46
Rule Title:	Medical Savings Account Administration Pursuant to Utah Code Ann. Sections 31A-32a-106, 59-10-114, and 59-10-1021.
Summary:	The proposed non-substantive amendment corrects an oversight in the 2008 amendment of this rule. That amendment changed the internal numbering of the rule, but failed to change one reference to the old numbering scheme.
